 >>> I have a question for you regarding the conduct of the review of national ambient air quality standards (NAAQS) for particulate matter.

>>>  
 >>> I understand Clint Woods sought to amend a draft version of the Integrated Science Assessment (ISA) for particulate matter before it went to the Clean Air Scientific Advisory Committee (CASAC). This appears to be at odds with the usual practice that the Office of Research and Development is responsible for drafting the ISA without intervention by the air office and its political appointees. Please comment.
